Experience

Freelance Architectural Designer 9/2022 - Present

- Independently designed and oversaw the gut renovation of a two story house in Denver and basement remodel in Melrose, MA.
- Produced detailed construction plans, ordered materials, and collaborated with contractors to ensure an accurate construction and satisfied clients

Kyle May Architect, Brooklyn, NY - Designer 6/2021 - 8/2022

- Led the design of several high-end residential projects, executed everything from DOB filings and abatement proposals to bid sheets and site visits
- Worked on the carpentry for custom millwork I designed, including a kitchen and stair combo and 12 foot tall birdhouse at the Brooklyn Botanic Gardens

U.S. Census Bureau, Ann Arbor, MI - Field Worker 8/2020 - 10/2020

- Developed strategies for efficiently enumerating student housing blocs, helped my unit finish ahead of schedule, saving time and tax dollars
- Played a critical role in earning my zip-code the most new cases in the state, providing Ann Arbor with much-needed representation and funding

SO-IL Architects, Brooklyn, NY - Designer 6/2016 - 8/2016

- Constructed a model of Manhattan for a Storefront for Art + Architecture exhibit, carving over 1,000 scaled, foam buildings with a hot wire cutter
- Generated plans and renderings for two locations of a restaurant chain, worked alongside the business owners and chef to optimize the layout
